GENERAL PRICING CHART

BUTTERCREAM ONE TIER CAKE: \$2.50/SERVING

FONDANT COVERED ONE TIER CAKE: \$3.00/SERVING

3D SCULPTED FONDANT CAKE: STARTING AT \$4.00/SERVING

CUPCAKES W/BUTTERCREAM: \$1.50 EACH

General pricing is listed above, however with all orders being completely custom, prices vary depending on how detailed the cake is. When using fondant, gumpaste and sculpting with cake, it takes a lot of time, so the more detailed the cake, the higher the cost. The pricing chart does supply basic by slice prices to give you a starting point on price.
